## Crofton Downs School Donations 2025

Each year we seek voluntary donations from our parent community to help ensure we have sufficient funds to meet the learning needs of all the children at Crofton Downs Primary School. Currently, our government operational grant funds only 74% of our programme cost. The remainder of our funding is raised through SPARK Club, International students, PTA and Parent donations. We rely on this additional income to support our high quality programme.

For 2025, we are requesting a voluntary donation from you to enable us to supplement funds for our core teaching programmes and deliver the curriculum to a higher standard. The Board of Trustees has confirmed this year's voluntary donation at **\$310 for one child, \$560 for two children or more children.**

We recognise this is a significant cost to families so we are sending this request to you now because if it is paid before the 31st March you will be able to claim a tax rebate of 33% from [Inland Revenue](#). If it is paid after this date, you will be able to claim the rebate in the following financial year.

Voluntary donations enable us to provide students with additional learning resources and opportunities which we must otherwise do without (examples of these include new reading and maths resources for all year levels, library books and increased options for our students to be involved in external extension activities).

Your donations also provide us with additional options around the use of extra personnel to broaden the curriculum and for the extension and support of students. By supporting the school with a donation, you help ensure that we can work in the most effective way possible with children of all levels of ability throughout the school, providing targeted programmes that are supported by high quality resources.

The voluntary donation requested of your family for 2025 is:

\$ \_\_\_\_\_ for \_\_\_\_\_ child(ren)

Amount already paid \_\_\_\_\_

**Methods for payment** We try to ensure that families are able to budget for voluntary donations. With this in mind, we offer several payment options, from payment in full, to weekly direct credits into the school bank account. Please contact the school office if you would like any further information about these options, or to arrange payment by installments.

We ask that you make your donation using internet banking, if possible. The school's bank account number is **12-3223-0038309-00**. Please add your **SURNAME** to the particulars section and **DONATION** to the reference section when using internet banking. If you prefer, donations can also be made direct to the school office, using cash.

Thank you very much for your ongoing support of our school. It is greatly appreciated.

Yours sincerely,

Justin Potter  
Principal  
On behalf of the CDPS Board
